

Our ever-popular small works by Society members feature returns as part of ALIGHT 2019.

This is an exciting addition to our annual exhibition offering an opportunity for every member of VAS to have work included in the exhibition, with a fantastic varied selection of small works for sale at affordable prices.

All VAS members are welcome to submit work. There is no selection process - so no need to send images or details of your work prior to delivery and there is no entry charge. Throughout the exhibition, works will be rotated on show in browsers and a wall display.

EACH ARTIST MAY SUBMIT:

Up to three unframed works mounted on a 30 x 30 cm board (The work itself can be smaller but must fit within 30 x 30 cm)

OR

Up to three 3D objects that are suitable to stand securely on a shelf 7 cm deep, and with a maximum height of 25cm. (sculptural/craft objects only please, not paintings in frames or on canvasses)
